

# LUNAR

## DURABLE AND PRECISE ESPRESSO SCALE CREATED FOR A COMMERCIAL ENVIRONMENT

Designed for espresso machine drip trays, the Acaia Lunar is aesthetically functional for your weighing needs. The espresso scale is built with anodized aluminum. Its electronic parts inside and the LCD display are fortified with a water-resistant spray to prevent water damage.

With an ultra-fast response time and high accuracy, you'll be able to track consistency across all of your espresso shots.

Accessories that are sold separately include the Lunar Weighing Plate, Lunar Base, and the Lunar Carrying Case. One heat pad and one 100 g calibration weight come with each Lunar. The Lunar also includes a 2-year limited manufacturers warranty, including water damage.

## FEATURES

- **ACCURATE & SENSITIVE**

Readability up to 0.1 g and an optional resolution 0.01 g. The Acaia Lunar is sensitive to even weight changes resulting from evaporation and temperature.

- **RECHARGEABLE USB POWER SUPPLY**

A greener alternative power source, the lithium ion battery. Lasts 20-30 hrs.

- **DURABLE AND WATER-RESISTANT**

Against standard cafe wear and tear.

- **FIRMWARE SUPPORTED**

The scale receives periodic firmware updates, which are available through our free Lunar Updater app.

- **BUILT-IN AUTO-MODES**

In various modes, the Lunar can automatically tare, start, and stop.

- **MOBILE APP COMPATIBLE**

Bluetooth-enabled to sync with our apps.

## MODE INTRODUCTION

### WEIGHING ONLY MODE

Your daily weighing function

### AUTO-TARE MODE

Automatically tares item weight for quicker measurements

### DUAL DISPLAY MODE

Timer and weight dual display

### TIMER STARTS WITH FLOW MODE

Timer starts when espresso flow detected

### AUTO-TARE AUTO-START TIMER MODE

Timer begins when an item is placed on the scale

### AUTO-TARE TIMER STARTS WITH FLOW MODE

Timer begins when the first drops of espresso hit the cup

## PRODUCT SPECIFICATION

**Size (WxLxH)**

105 mm(W) x 105 mm(L) x 15.5 mm(H) /  
4.13 in(W) x 4.13 in(L) x 0.61 in(H)

**Color**

Metallic Black / Sliver 

**Weight**

270 g / 0.6 lb

**Capacity**

2 kg / 4.4 lbs  
Max: 2000 g Min: 0.1 g

**Measuring Units**

g / oz

**Reference Division**

0.01 g

**Display**

8-digit LED

**Electrical Requirements**

5V / 500mA

**Power and Battery**

Lithium-ion rechargeable 3.7V 1100mA

**USB**

Micro-USB  
(increased robustness and durability)

**Linearity**

+/- 0.2 g

**Connectivity**

Bluetooth 4.0
